Aryan Wadhawan

Aspiring Robotics Engineer · Delhi, India

PROFILE

Grade 11 student at Delhi Public School with a clear focus on robotics and aerospace engineering. CBSE district topper with 95.4% in Grade 10. Competitive chess player (1453 FIDE, CBSE Zonals champion) and Delhi State-level boxer with a strong record across academic and competitive domains.

EXPERIENCE

Young Technology Scholars

May – Jun 2025

Plaksha University · Aerospace, Robotics, AI & Design Thinking

Built a functional weather glider as part of a collaborative engineering cohort. Explored hands-on applications across aerospace systems and robotics, working within cross-disciplinary teams on design-to-prototype cycles. Selected from a competitive national applicant pool.
